

Coaching Profile: Leroy D. Moalusi

Coaching approach:

How would you describe your coaching approach?

I follow an integrated coaching approach which allows me to tap into different coaching approaches in service of my clients. I am focussed on bringing a type of awareness that calls the client to challenge themselves and to transform ("metamorphic coaching"). I partner with my clients in a thought-provoking and creative process that inspires them to maximize their personal and professional potential.

Coaching experience:

Please describe your coaching experience including the type of coaching you've done, the clients and industries that you have worked with. You're welcome to include feedback from coaching clients here as well.

I have over 6 years of coaching experience and have coached individuals at different levels of organisations within the private and public sectors. The focus of my coaching has been leadership coaching, and more so coaching executives who needed to make some important shifts.

Industries I have worked in include Healthcare, Insurance/ Financial Services and Retail.
